About us

Stockholms län i vårt hjärta

Länsförsäkringar Stockholm finns till för alla som bor mellan Roslagen i norr och Söderläje i söder. Oavsett om de är pensionärer eller hipsters. Oavsett om de är födda i Vasastan, Åkersberga, Damaskus eller Värnamo.

Länsförsäkringar Stockholm är ett av 23 länsförsäkringsbolag, en del av länsförsäkringsgruppen och ett av Stockholms äldsta företag. Verksamheten föddes ur behovet att försäkra sig mot bränder och företaget grundades redan 1844 som två brandstodsbolag. Sedan dess har vi försäkrat människor och saker och har utvecklats och breddats i takt med människors förändrade levnadssätt och behov. Vi är ensamma på marknaden om att erbjuda sakförsäkring, livförsäkring, bank och fastighetsförmedling under ett och samma tak.

Att vi är kundägda innebär att vi bara har en enda uppdragsgivare – dig som kund – och beslut och värderingar styrs utifrån det. Det är detta som präglar vilka vi är och hur vi ska vara.

Ryska Posten Bemanning grundades 2012 som det tredje bolaget i Ryska Posten-familjen. Vi kan idag erbjuda bemanning- och rekryteringslösningar med fokus på reception, kontorsservice, ekonomi, HR, marknad och administration.

Oavsett om du söker ett extrajobb vid sidan av studierna, om du precis har tagit examen eller om du redan har en del yrkesfarenhet så hittar vi på Ryska Posten Bemanning rätt jobb för dig.
